CARDINAL COMPASS HOMESCHOOL NETWORK

# Industry, war, and memory

**FIELD TRIP PACK / Family planner**

**Richmond | Civil War history**

## Start with a question

How do objects and landscapes help explain the impact of war on people?

## Plan your outings

These are two independent outings or stops. Choose the order and pace that work for your family. Before leaving, use the official pages to check hours, tickets or passes, access, and closures. Bring this pack, a pencil, and a way to record details where permitted.

### 1. American Civil War Museum at Historic Tredegar

**Official visit and planning information**

### 2. Richmond National Battlefield Park

**Official visit and planning information**

## Adjust for your learner

Younger learners can draw and dictate. Older learners can distinguish observation from interpretation, cite a label or map, and explain where evidence is missing.

## Wrap-up project

Pair one museum object and one place on a map with a caption for each.

**Our visit dates and one thing we need to confirm**

# Production and human choices

**OUTING 1 / Student field sheet**

Name _____ Date _____

## Your field task

Describe one item and trace the work or materials needed to make, use, or move it.

### Sketch or diagram

### What did you observe? What did you read or hear?

### One question to investigate next
