Life during a siege

FIELD TRIP PACK / Family planner

Yorktown | American Revolution

Start with a question

How did terrain and everyday supplies shape choices during the Revolution?

Plan your outings

These are two independent outings or stops. Choose the order and pace that work for your family. Before leaving, use the official pages to check hours, tickets or passes, access, and closures. Bring this pack, a pencil, and a way to record details where permitted.

1. American Revolution Museum at Yorktown

Official visit and planning information

2. Yorktown Battlefield

Official visit and planning information

Adjust for your learner

Younger learners can draw and dictate. Older learners can distinguish observation from interpretation, cite a label or map, and explain where evidence is missing.

Wrap-up project

Make a map-and-object explanation of one constraint people faced.

Our visit dates and one thing we need to confirm

What it takes to sustain people

OUTING 1 / Student field sheet

Name _____ Date _____

Your field task

Create a three-item supply list from observed evidence and explain one consequence of running short.

Sketch or diagram

What did you observe? What did you read or hear?

One question to investigate next
